Farewell Address

Dear Friends,

Once again the time has come to say good-bye, and it is with honor in my heart that I say, I have loved being Empress of the San Fernando Valley. This year has been full of wonderful and exciting people and places. As my reign comes to an end there are so many people to thank and I wish to express my gratitude to each and everyone of you.

To the community of San Fernando Valley, you're the greatest. Thanks to Beverly of "Hearts" for your bar and all your help & support. Thanks to our Privy Council and Board of Directors for their guidance and direction. Also, for their love & understanding and timeless effort in making the 12th. Imperial Dragon-Firebird Court a wonderful success. To the Court..... what can I say? You have discovered my fantasies and made them come true, something no one else could do...."I'll never love this way again". You gave and gave to our year and worked harder than any court I've seen in years. I'll always remember each and everyone of you. I thank you again.

To Milo... you have shown me a very special kind of love. You have always been there for me. I love you. To Kathy Apple... because"It doesn't matter what you wear, D.J., you are an Empress". To Lee Sommers... for always being my diamond of hope. I love you. To papa Suzie... I'll love you always because you expect more of me. To my sister Empresses Natalie, Michelle, D, Alexandria & Cher.... the time spent with you has been a warmth I'll never forget. I will always cherish our year together. I am proud to stand with all of you.

To my Emperor .... thank you for this year. Your creative ideas and hard work has made all of us very proud. To my roommates, thanks for your understanding. To Del and David, thank you for all your love and hospitality. I love you both. To J.B., thanks for all your hard work and love.

Most of all..... thank you, Michael, for still loving me and understanding this year.

Some people have referred to me as a pushy, aggressive and outspoken person but I tried to use these attributes to become a good leader. With my Emperor, our Court and my lover, we have had a good year. Without the Privy Council and the hard work of any court, an Emperor and Empress stand alone. Thank you all for letting me stand proud and full of joy and say to you ... A job well done!

To all of our out-of-town guests, welcome and enjoy the Valley. May all of you have a great time.

With respect, love & unity,

D.J. Calhoun

FAREWELL ADDRESS

I'd like to take this opportunity to welcome you to Coronation 1984. This is an evening I have been looking forward to but, of course, with a few regrets. It's been a rough but beautiful year for me. I have had many meaningful experiences and have made a lot of new friends. Thanks to everyone who has helped to make this one of the most memorable years of my life. There have been many new things started this year as well as some old things revived. I hope the new monarchs can continue them as well as add a lot of new things of their own.

THANKS

D.J. for forcing me to do a lot of things I wouldn't have done normally. It's been an interesting year.

Tim ... If it hadn't been for your help, constant support and love, I would never had made it. Making me go to work in order to fulfill my year was the best thing you could have done. Everything meant so much more because I had to earn it. I love you very, very much !!

Our court members ...you are the greatest! No one could have asked for a better group to work with. We've worked hard but it has paid off and we've had a lot of fun. Thanks kids!!

Privy Council... you were a great help this year. Every monarch should have such a great bunch of people to work with.

Suzie ... my saviour. I couldn't have made it without you...you & Rusty's. Maybe after tonight we can go back and enjoy ourselves.... Love you much.

Pat, Ellen & Roi ... We made it! There were times we weren't sure but we did it. Love you all very much.

Niko ... Even though you weren't with us this year, I'll never forget all your help last year. A big thank you and you'll never know how proud I am of you for the way you're getting it together.

Bic & Tim ..... my costumes are to die for. Thanks so much for your help, friendship and most of all, love.

To the monarchs I've served with this year, it's been great. I have really made a lot of dear friends, especially my brother Emperors William I, Dwan, Tom and Joe and, of course, my dear sisters - brother Emperors Suzie & J.B. Much love to all of you.

If any of you ever need my help in anyway, all you have to do is call.... I'll be there.

Jaye,,,,, we finally did it! Give 'em hell.

I hope everyone has a great time tonight as I intend to do so. Much, much love to all and .....

On with the show!!
